

for use with Nokia, Motorola, Sony, Ericsson, Kyocera,  
LG, Samsung, Nikon, Kodak, Palm One, Compaq/HP,  
Toshiba, Apple and other leading brands of mobile gear

## universally compatible

Designed specifically for use with Nokia, Motorola, Sony, Ericsson, Kyocera, LG, Samsung, Nikon, Kodak, Palm One, Compaq, HP, Toshiba, Apple and other leading brands of mobile gear.

## one adapter for all your gear—charge ahead

Fill 'em up from a vehicle power socket with a single adapter. No more need to carry separate in-vehicle adapters for all your gear. iGo autopower<sup>15</sup> charges mobile phones, PDAs, handhelds, digital cameras, MP3 players and more of your mobile devices with the simple switch of a tip (one free tip – others sold separately).

## pick your itips™ smart connectors

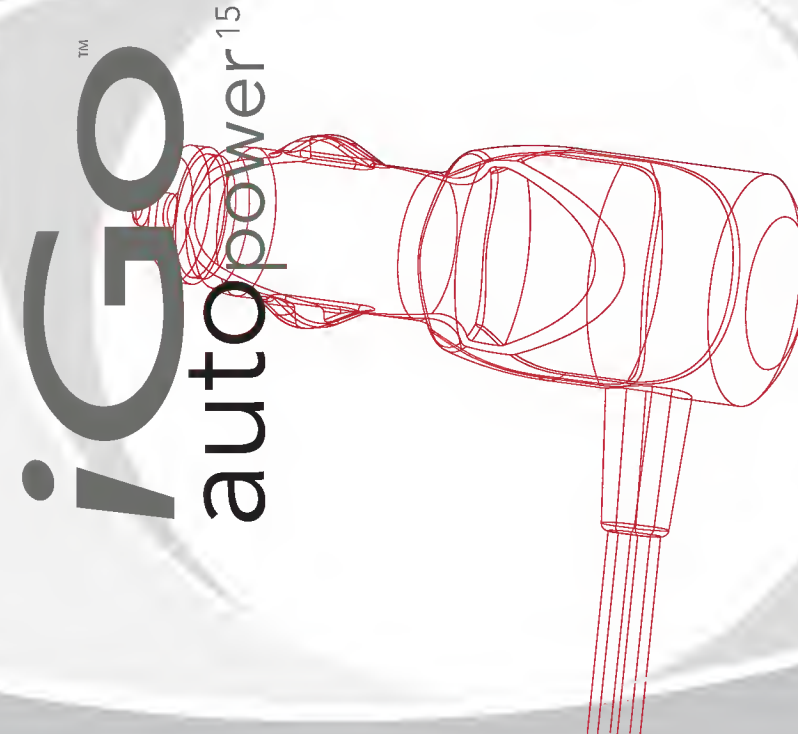

There are dozens of available itip smart connectors to power hundreds of today's most popular devices. Be sure to grab the ones to charge your mobile gear (one free tip – others sold separately).
